

## **TO OUR VALUED CUSTOMERS**

Our goal is offering the right products at the right price at the right time. However, in the new climate created by COVID-19 limitations, we face new challenges in achieving our goal. Restrictions resulting from the pandemic have been felt everywhere, and the suppliers of many home improvement products have not been spared. Production cycles were reduced or sometimes halted during the spring lockdown, which has created shortages or delays in many categories, and unforeseen price fluctuations, particularly in the lumber category.

We at TIMBER MART are using all our resources to provide the home improvement products you need and apologize if there are any inconveniences due to delays. Thank you for your understanding and for choosing  
TIMBER MART.
